

Guide to retrieving full-text articles in the *China Online Journals (COJ)* database

Search a keyword (e.g. Noble Prize) in the journal database and get the result page as below.

There is a button above the search results.

① “获取范围”

— Click this button to display five options, two of which are

② “全部” and ③ “仅全文”.

Explanation:

② “全部”

- Click this button to display all search results.

③ “仅全文”

- Click this button to just display the articles with full-texts.
